

Dr. Wooten:

Thank you for everything you have done for me. It has been a long time since I have met a Dr. as nice and caring as you. I have never had anyone care for me as much as you have. You have to be a wonderful Mom Something I have never had.

I would also like to thank you for getting my daughter here from the army. All my children adore you. Again thanks for everything.

I have been told by Dr. Merurio's office and Dr. Pertono's office that since I have had my surgery with you they tell other patients about how good I turned out and refer other patients to you.

I am so glad you did such a good job and now you get more patients.

Love

DK
