

Dr. Anna Wooten and Staff:

I want to thank you all very much for the wonderful experience that I shared with you at Beleza! I recently had a septoplasty with a tip rhinoplasty, and I love my results. Dr. Wooten took her time with me and really listened to what I was looking for in having this procedure done. She extensively explained all of the steps of the procedure and the post op, so I knew what to expect the entire time. The staff took their time with me to explain all of the scheduling, billing, and insurance aspects of my procedure. The staff worked above and beyond with my schedule to plan the surgery and all of the follow ups. Most importantly, Dr. Wooten did exactly what she told me she was going to do, and there were no surprises. I had a very timely follow up, and Dr. Wooten was available any time I needed her after the surgery. I am extremely happy and excited with my results. I can breathe!! I have recommended Beleza to all of my friends, and I will definitely return to Dr. Wooten for any future procedures!!
